Competence-based curriculum framework

In partnership with UNESCO's International Bureau of Education, we have identified seven competences for all Ecolint students to develop and bring to the world for the common good:

- Lifelong learning
- Self-agency
- Interactively using diverse tools and resources
- Interacting with others
- Interacting with the world
- Multi-literateness
- Transdisciplinarity

High School Diploma

The High School Diploma is earned by completing 24 credits with the following minimum credits in each subject: Language and Literature 4, Language Acquisition 3, Mathematics 3, Sciences 3, Individuals and Societies 3, Arts 1.5 and Physical Education 1.5. All student assessment is criteria-based on a scale from 1 to 7. A grade of 3 or more earns a subject credit towards the High School Diploma.

Admissions and ranking

In line with our commitment to diversity, equity and inclusion, admission to Ecolint is open on a space-available basis. Given each student's extraordinary, unknowable and unlimited potential across multiple intelligences dimensions, we do not rank students.
